Jun 28, 2013 - This program allows you to generate the maximum number of CD key codes for WRC 3 FIA World Rally Championship Serial. When you run the program, you can enable/disable the mode of saving to a file all the generated codes. In this case, the file with the keys will be stored in the folder with the program. The key file can be used to generate keys for other WRC games. To do this, copy the file with the generated code into the folder with the installed game. You can download the software from our project by clicking on the link below. WRC 3 is a long-awaited game in the WRC World Rally Auto Racing series.
